

Appleton-Whittell Research Ranch of the National Audubon Society

CONDUCT AGREEMENT

Facilities *Please check all boxes for agreement to be considered complete.

- 1. I will **respect research** being conducted on the Ranch; I will NOT remove any research materials, including traps, nets, flags, temporary markers, papers, maps, study sites, information, or any other physical markings.
- 2. I will **stay on designated roads**, trails and permitted areas.
- 3. I will **conserve water and energy**, and will place all recyclables in designated bins and compost in an outside compost bin. I will not use disposable dishes/glasses/flatware/water bottles.
- 4. I understand that **smoking is not allowed** in or near ANY building on AWRR, and if I choose to smoke elsewhere, I will be responsible for proper disposal of all butts, ashes, etc., and for the costs of any damage associated with my decision to smoke.
- 5. If I use AWRR housing or the camping facility, I will maintain the cleanliness of common areas, wash my dishes after every meal, and keep all personal items in my assigned area.
- 6. I agree to abide by any additional posted rules, including but not limited to internet usage and fire response. **NO LITTER, NO FIRES, NO PETS, NO HARASSMENT OF FLORA/FAUNA**
- 7. If I choose to carry a **firearm** while on/in Audubon property, **I will notify AWRR upon my arrival on ranch property**. When not on my person, the firearm will be stored in a container in my locked vehicle or stored in a personal lockbox/safe in my private room. **I will not conduct target practice, shoot plants, animals or property, including signs, while on Audubon property**. I understand that AWRR is posted for 'No Hunting' and that **hunting is not permitted on the property**.
- 8. **NO Drone usage** - We are in a no fly zone due to proximity to airport and Fort Huachuca.
- 9. **Alcohol policy**, any beverages brought on premises are the responsibility of purchaser. No alcoholic beverages will be supplied to underage guests, all alcohol must be removed/disposed of upon departure. Responsible drinking expected, any over consumption can lead to removal from premises.

Confidentiality

- 10. I will not disclose the location of any rare, threatened, or endangered biota, or any archeological sites on AWRR except to Audubon staff and appropriate state or federal agencies. Or share images of biota and locations on social media.

I HAVE READ AND WILL COMPLY WITH THE ABOVE CONDUCT.
